Super Bright LED Maintenance Free Emergency Egress Sign box

LED Maintenance free emergency exit sign box is an attractive, specifiable product that offers long life and low energy with excellent performance and highly visible range.

Technical Data:

- Low power consumption
- Main Voltage/Frequency: AC220V(+/-10%)/50-60Hz
- Surface Brightness: $\geq 100\text{cd/m}^2$
- Color Temperature: 4000K/6500K
- Battery Capacity & Voltage: Ni-Cd 3.6V;400/600mAh
- Discharge time: 2 hours
- Installation way: Wall mounted

Special development and customer's solutions on request.

Specifications:

Code	DXAI001	DXAI002	DXAI003	DXAI004	DXAI005	DXAI006
Name	Emergency LED Exit Sign box					
Dimension						
Size(L*H*D) mm	366*158*36	400*175*40	165*190*55	400*175*40	400*175*40	
Material						
Cast aluminum+LGP Acrylic						
Parameter						
Main Voltage/Frequency	AC 220V(+/-10%)/50-60Hz					
System Mode	Maintained Type					
Source Power	LED					
Battery Capacity & Voltage	Ni-Cd 3.6V 400/600mAh					
Battery	Sealed Nickel Cadmium (Ni-Cd battery pack)					
Surface Brightness	≥ 100cd/m ²					
Power Factor	0.5					
Power (charging)	3W					
Color Temperature	4000K/6500K					
Operating Temperature	-10°C-55°C					
Emergency Conversion Kit	Built-in type					
Lifespan	35,000 hours					
Discharge Duration	2 hours					
Charging Time	24 hours					
Emergency Starting Time	<0.3s					
Installation Way	Wall mounted					
Full Charge Indicator	From Red to Green LED					
A.C. Supply Indicator	Red LED					

Fault Indicator	Flashing Yellow LED(Battery Defected/Source Power Burnt)
Test Button	Press type
Low Voltage Protection	Electronic Protection(approx.1V/cell)
Guarantee Period	1 year
