

MT-R125

short description

Thermally insulated ventilation duct, length 2 m, DN 125

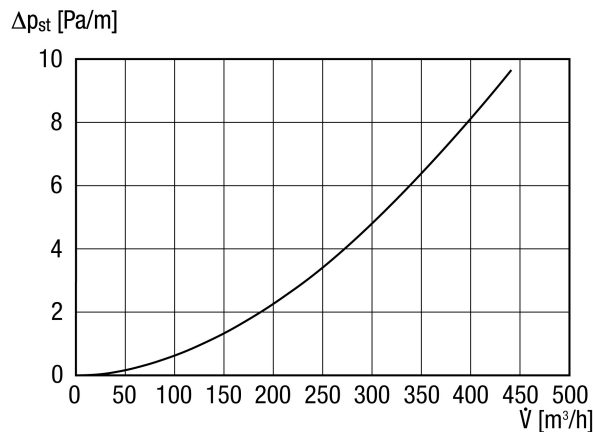

Article number 0059.0981

Technical Data

Volumetric flow	200 m³/h/(recommended)
Inner wall material	Insulating polyolefin foam to prevent vapour diffusion
Casing tube material	Polyethylene (HDPE)
Colour	Black
Weight	2.15 kg
Nominal size	125 mm
Internal diameter	125 mm
External diameter	160 mm
Length	2 m
Wall thickness	15 mm
Airstream temperature	-40 up to 95 °C
Ambient temperature:	-40 up to 95 °C
Heat coefficient	0.040 W/m²K at 40 °C
Range	K
EAN	4012799599814

Characteristic curve

MT-R125

Dimensions [mm]
