COMPANY PROFILE

HOA LONG
Storage Racking Systems

WELCOME TO HOA LONG FACTORY

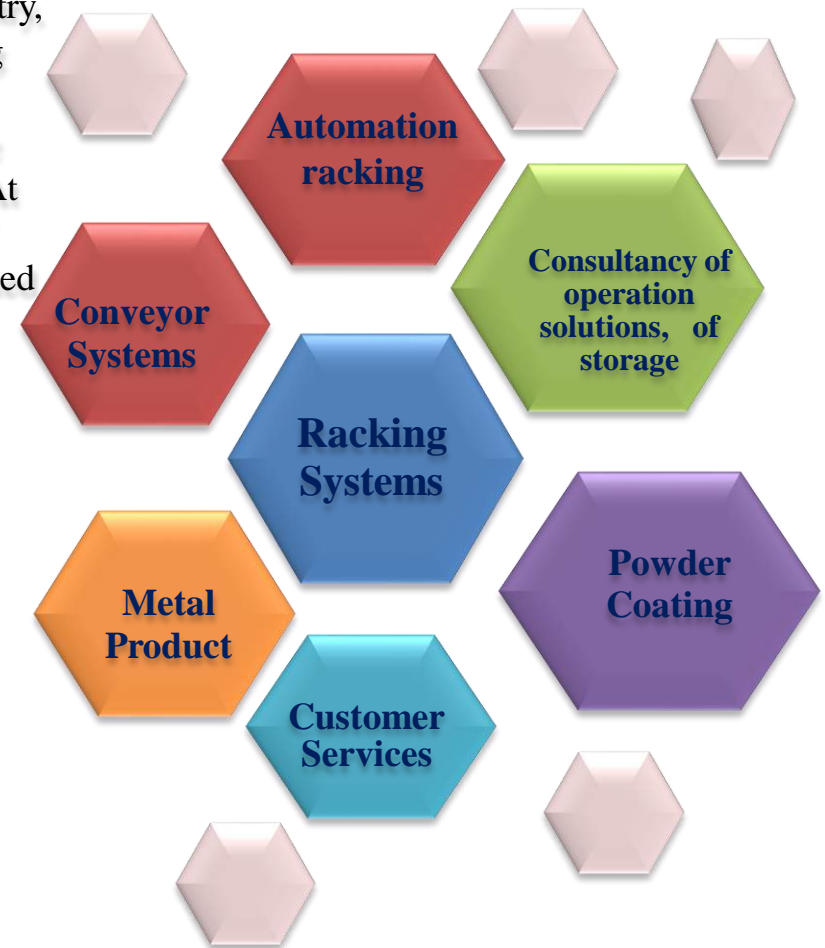

With years of experience in the warehouse services and logistics industry, Hoa Long Storage Racking Systems offers cost-effective warehousing solutions by implementing best practices to meet your needs

In today's agile and complex logistics environment, customers deserve and expect more than just a traditional warehouse services provider. At Hoa Long SRS (Storage Racking Systems), we understand our clients' needs, which is why we continually develop customizable and integrated solutions, focusing on:

- **Continuous improvement**
- **Timely order fulfillment**
- **Reducing new product time to market**
- **Adaptability and flexibility to consumer demand**
- **Building sustainability into our clients' supply chain**
- **Expertise in growing our clients' market share in Vietnam and emerging economies**

We offer end-to-end warehousing solution from warehouse design and solution consulting to setup and installation.

Let Hoa Long SRS focus on customized warehousing services and solutions to meet your requirements.
