

LFGxx-45EMC

EMC + DUST PROTECTION

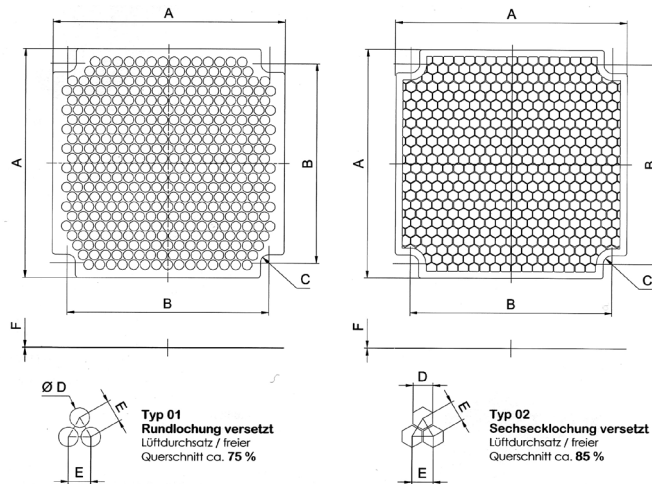

EMC fan guards are adapted for fans-sizes from 60x60 up to 119x119mm and consist of 3 parts: frame, filter-mat and a cover with a metal-wire net. The plastic parts are silver covered. This allows the shielding against electromagnetic waves in a range between 1MHz and 1GHz at low cost. The metal-wire net must have direct contact with the metallic surface of the device housing.

Art-No.	Model	Fan Size [mm]	Dimension A/B/C/D/E [mm]	Packing [PCs]
926030000	LFG60-45EMC	60x60	64/12.2/50.0/58/60	20
928030000	LFG80-45EMC	80x80	86/12.2/71.4/90/77	20
929230000	LFG92-45EMC	92x92	97/12.2/82.5/98/88	20
921230000	LFG120-45EMC	119x119	126/13/105/125/116	20
