Who we are

Who we are

We're your ideal packaging partner

Swedbrand was founded in Hong Kong by Chris Magnusson and Zaid Bunni. The success of the company since that moment in 2006 has been rapid and sustained. Today Swedbrand is a proud packaging partner to some of the world's most iconic brands.

Our mission is to design, produce and deliver packing solutions tailored to the needs of every different brand. We take problems out of your hands to make perfect packaging feel incredibly simple.

What we make

Our packaging is always a perfect fit

We custom make packaging to meet the needs of every brand

Takeaway Cups

Customisable cups for every brand and occasion

We can make cups for every brand and purpose. Choose standard or sustainable materials, including recycled paper and bamboo. Cups can be printed to carry images and branding.

- X Made with innovative ECOGO* Coating for high performance and minimal use of plastic**
- X Standard cardboard or sustainable materials**
- X Full sustainable accreditation from respected authorities**

* Our ECOGO Coating allows paper products to be recycled instead of ending up in landfills. In addition, 40-51% less plastic is used compared to regular coated packaging.

Food Containers

Practical, sustainable choices for every snack and meal

We can make every type of convenient container for every kind of food. Our containers can be produced from highly sustainable materials including recycled paper and bamboo. Items can be produced plain or with printed images and branding.

- X Made with innovative ECOGO Coating for high performance and minimal use of plastic**
- X Sustainable materials including recycled paper and bamboo**
- X Full sustainable accreditation from respected authorities**

Utensils & Straws

Convenient and sustainable cutlery and straws

Spoons, straws or chopsticks, no matter what your brand needs, we can help. We can produce all items in a choice of highly innovative and sustainable materials including palm, bamboo, corn, sugar beet or wheat.

- X A choice of standard or sustainable materials**
- X Full sustainable accreditation from respected authorities**
