YOURTABLE FRESH
with push-under trolley

YourTable® Fresh

■ **YourTable Fresh is a versatile presentation unit** for fresh produce. The furniture system can be customised to the store's requirements and product range with practical components. The inclined shelves ensure convenient access and attractive presentation of goods. Sliding elements beneath the table additionally expand the

presentation area. YourTable Fresh provides optimal support in presenting crisp fresh fruit and vegetables as if at a weekly market. YourTable Fresh can also be used to perfectly place other product ranges in the spotlight.
